St Peters Civic Plaza and Avenue of Honour Project

City of
Norwood
Payneham
& St Peters

The City of Norwood Payneham & St Peters is seeking comments from the community on the St Peters Civic Plaza and Avenue of Honour Master Plan, which proposes the construction of an Avenue of Honour and the development of a Civic Plaza on St Peters Street, adjacent to the St Peters Town Hall Complex.

The objective of the St Peters Civic Plaza and Avenue of Honour Master Plan is to create a vibrant and safe outdoor civic space on St Peters Street, with connections to Payneham Road, Dunstone Grove-Linde Reserve and the River Torrens Linear Park.

Once completed, the St Peters Civic Plaza and Avenue of Honour, will complement the recently completed St Peters Town Hall complex, create an outdoor civic space and provide a pedestrian and cyclist friendly environment. The St Peters Civic Plaza will have the ability to be closed temporarily to through traffic to expand the community open space and enable larger community events to occur.

The intent of the Avenue of Honour is to commemorate all Australian Soldiers killed in action.

This final stage of the 'Revitalising St Peters Precinct' Project, will deliver a high quality community space which reflects the heritage and character of the precinct while generating vitality, innovation and social interaction.
